CO5	K5	20a.	<p>“Emma was excited about her new job at the local bookstore. She had always loved reading and was thrilled to be surrounded by books every day. Her first task was to organize the books by genre, which she did meticulously. She noticed that some of the classic literature books were out of place, so she rearranged them according to the author’s name. Emma also made sure to create a section for local authors, which she believed would attract more customers. Over time, she became familiar with the store’s inventory and began to recommend books to customers based on their interests. Her efforts not only improved the store’s organization but also increased sales. Emma felt proud of her contributions and was glad to be part of a team that shared her passion for literature".</p> <p><u>Deduct the answers for the questions from the above passage:</u></p> <ol style="list-style-type: none"> 1. What was Emma’s first task at the bookstore? 2. Which section did Emma create to attract more customers? 3. How did Emma rearrange the classic literature books? 4. How did Emma feel about being part of the bookstore team? 5. What did Emma recommend to customers based on their interests? 6. What type of literature was out of place initially? 7. Which aspect of the bookstore did Emma become familiar with over time? 8. How did Emma’s organizational improvements contribute to the growth of the store. <p style="text-align: center;">(OR)</p>
CO5	K5	20b.	<p>Provide your opinion and write an expository essay on the topic 'The Impact of Urban Gardening Initiatives on Community Well-being'.</p>
