LIBRARY

On October 1, 2024, the Department of Library and NDLI Club of G. Venkataswamy Naidu College, Kovilpatti, organized a vibrant and intellectually engaging event titled "The Book Review Café." The event, held in the college library, was based on the theme **"Where words meet wisdom, and readers meet reviews."** It provided a platform for students, faculty, and book enthusiasts to come together to share and discuss reviews of various books, encouraging a culture of reading and critical thinking.

Objective of the Event

The primary aim of the Book Review Café was to foster a love for reading among students and create a space where they could freely express their thoughts and insights on the books they have read. The event sought to inspire critical thinking, improve analytical skills, and promote literary discussions among participants.

Inauguration

The event was inaugurated by **Dr. S. Gandhimathi**, the Head of the Department of Library Sciences, who welcomed the participants and highlighted the significance of book reviews in enhancing readers' understanding of literature. In her speech, she noted that book reviews serve as windows to different perspectives, helping readers explore new ideas and interpretations. She expressed her hope that the event would inspire more students to engage in reading and develop a habit of critically evaluating the content they consume.

Book Review Presentations

The highlight of the event was the book review presentations, where students and faculty members shared their reviews of selected books across various genres, including fiction, non-fiction, self-help, and biographies. Each participant offered a brief yet insightful review, summarizing the main themes of the book, its relevance, and the lessons it conveyed. The diversity of book choices reflected the wide-ranging interests of the participants, from classic literature to contemporary works.

Interactive Discussion

An interactive discussion followed the reviews, where the audience had the opportunity to ask questions and share their own perspectives on the books presented. Participants discussed the authors' writing styles, the socio-cultural contexts of the books, and their relevance in today's world. The interaction between reviewers and the audience created a lively atmosphere, with participants debating themes, characters, and the impact of certain books on society.

Slogan Emphasis

The event embodied its slogan, "**Where words meet wisdom, and readers meet reviews,**" by encouraging participants not only to read but to think critically and share their insights. The Book Review Café brought to life the power of words, wisdom, and shared knowledge, as attendees discovered new perspectives through the eyes of their peers.

Conclusion and Vote of Thanks

The event concluded with a vote of thanks delivered by **Dr. S. Anusuyadevi**, the NDLI Club Member, who expressed her appreciation to the participants for their enthusiastic contributions and to the organizers for their efforts in making the event a success. She also encouraged students to continue reading and engaging in literary discussions beyond the event.

Overall, "The Book Review Café" was a resounding success, creating a sense of community among readers and fostering a love for books and literature within the college. The event left participants inspired and motivated to explore more books and share their reviews in future events.
