HANDS-ON SESSION – PARTICIPANT INSTRUCTIONS

The programme includes hands-on sessions.
Participants are requested to note the following:

1

Laptop:

You may bring your own laptop. Lab systems will also be available in the Centralized Lab.

2

AI tool login:

If you already use an AI tool (ChatGPT, Claude, Gemini, NotebookLM or Gamma), keep your login ID and password ready. If you do not have an account, you can sign up during the session with your Gmail ID.

3

Mobile phone:

Signing in on a new device, such as a lab system, may need a verification code sent to your registered mobile number. Keep your phone with you.

4

Syllabus and course plan:

Bring the syllabus of any one course you teach and its existing course plan, as soft copies only.

5

Handout notes:

Bring one handout or set of notes (1–2 pages) from your subject, as a soft copy only.

SOFT COPIES ONLY – NO PRINTOUTS.

Keep the files on a pen drive or in your email or Google Drive so that you can open them on any lab system.

AFTER THE SESSION

Sign out of all AI tools and your Gmail account on lab systems.
